

# ENROLMENT INTEREST FORM

Edge Hill State School operates under an Education Queensland Enrolment Management Plan. Under the plan, enrolment is only guaranteed for those residing within our designated catchment area. Please note that we will require proof-of-residence, ie, Lease Agreement or Rates/ Utilities Notice, to secure such an enrolment. The Edge Hill State School catchment area map is available to view on our website:

[www.edgehillss.eq.edu.au](http://www.edgehillss.eq.edu.au)

Automatic enrolment is available to the siblings of existing students and we can sometimes offer enrolment to students residing outside the catchment area, dependent upon vacancies at time of enquiry, at the Principal's discretion and subject to certain criteria being met.

Anyone interested in being considered for enrolment needs to be added to the school's waiting list by completing the following form and returning to the school in person or,
