Our initiatives include

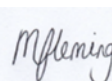

- Maintain a school wide focus on professional practice to build teacher capability, through coaching and feedback cycles linked to the whole school improvement agenda (Edge Hill Essentials).
- Continue to enhance teacher capability to make informed and consistent judgements about evidence of student learning through coaching and feedback related to planning, assessment and moderation processes.
- Focus on school wide approaches to inclusive education through implementation of an adjusted operational model focused on a collaborative approach to student support services
- Support literacy and numeracy across the curriculum and enhance engagement in learning through provision of additional teacher aide resources
