Our school booklist details the requirements your child needs for the coming school year. Included in the booklist is a classroom pack. This is a cost effective alternative to purchasing textbooks, resources, consumables and/or materials from elsewhere, through reduced prices gained from the school's bulk purchasing processes. The classroom pack provides consumables, reprographics, art consumables, technology consumables, standardised test materials, subject resources, text books and classroom resources.

"A parent is directly responsible for providing the student with textbooks and other resources for a student's use while attending school. " *Education Queensland 2012*

Edge Hill State School takes this opportunity to invite all families to take advantage of the great service offered by the School Shop. Our School Shop can provide you with all your school requirements in one comfortable and cool location. We take the hassle away from shopping and provide you with a quality and competitively priced Prepack order with easy payment options

Click & Collect for **Full Packs** and **Uniforms** only, please place your order via email to the shop, an invoice will be emailed to you for payment via BPOINT. Packs can be collected from School Shop, Office or dropped to OSHC.
